Write a speech in role as William  
Narrative-writing the next chapter of the book

## Maths

Position and direction  
Money  
Place value within 100  
Time  
Multiplication  
Division  
Fractions

## Science

Summer 1

*Living things and their habitats*

- recognise that living things can be grouped in a variety of ways
- explore and use classification keys to help group, identify and name a variety of living things in their local and wider environment
- recognise that environments can change and that this can sometimes pose dangers to living things.

Summer 2

*States of Matter*

- observe that some materials change state when they are heated or cooled, and measure or research the temperature at which this happens in degrees Celsius ( $^{\circ}\text{C}$ )
- compare and group materials together, according to whether they are solids, liquids or gases
- identify the part played by evaporation and condensation in the water cycle and associate the rate of evaporation with

## Music

Lean on me

Charanga Music

Listening to a range of music—music appreciation.

## RE

Kingdom of God
