Loving God~Serving others~Fulfilling our potential

Welcome to St Margaret's Nursery

Welcome to St Margaret's Nursery. We are very excited that you will soon be coming to our nursery.

This booklet tells you all about nursery and shows you all the fun things you will get to do.

This is our nursery team.

Mrs Rea

Nursery Manager

Mrs Whitehead

Deputy Nursery Manager

Mrs O'Rourke

Early Years Educator

Miss Cousens

Early Years Educator

Mrs Simpson

Early Years Educator

Our much-loved nursery pets are:

Bob, Nemo and Dory

This is Charlie Bear who likes to visit you at home.

If you would like to look after him and take him somewhere special, please speak to a member of staff and they will be happy to help arrange this for you.

He comes with a bag of clothes and all we ask is for you to record his visit in some way.

Charlie Bear is very lucky and has visited America, Hong Kong and Germany but he also really enjoys going to visit the dentist.

In the morning a member of staff will welcome you into the building, don't forget to say 'Good morning!'

You will have your own peg with your picture and name on it. This is where you put your coat and bag.

You will have your own tray which will have your name and picture on it. You can put your book bag, art work and letters to go home in here.

You can find your Numicon face to self-register and find your feelings.

At Nursery you can write and draw.

You can join in with 'Squiggle while you wiggle' and fine motor activities which helps stimulate your early writing skills.

You can read books and listen to stories.

You can visit the school library

You can join in with some literacy activities like phonics and carpet times.

You can go into the role play area or play with small world figures.

We learn to use balance bikes.

You can build things within the construction area.

You can explore your creative skills.

In the morning we have rolling snack.

These are the nursery toilets. You can use them when you need to.

You can use the sand, water and the mud kitchen in the outside environment.

We are very lucky to have access to the school environment.

We use Seesaw (online journal) to record your learning.

We look forward to welcoming you all to Ducklings class.
