Purpose of this meeting/discussion:

- This week we trialled a school council meeting on Google Meet with the children in school.
- Attended – List of children who attended.
- Z taking the notes of the meeting.
- The meeting went well, however some people needed some support with logging on – this should be ready for the next meeting.
- From last meeting – we discussed how we can reduce the amount of waste in school and suggested a litter pick. All children raised their hands to volunteer to litter pick – we will talk to Mrs Hine about ordering picks and Covid safety so that we do not break bubbles.
- S, O, E, A and Z to write a letter to David Attenborough, asking how we can reduce our use of plastics.
- B and S to make a suggestion box for KS1 and KS2 so that all children can share their voice

**Next Meeting**

- Letter to David Attenborough – collect contributions from school councillors and Miss Edwards to post.
- Invite school councillors who are home learners to the next meeting
- Next meeting 4th February 2021 at 14:30pm

Code of conduct –

- School reps to discuss questions/issues raised with their class and teacher.
- Z to take notes in yellow book.
- At least six people need to be present during a school council vote and we agree or disagree based upon a 'raise hand' vote.
- School councillors to share the outcome of the meeting with their class.
