Purpose of this meeting/discussion:

- This week we trialled a school council meeting on Google Meet with the children in school AND AT HOME!
- Attended – S, A, S, O, B, E, E, A and Z. Home = N and H
- Z taking the notes of the meeting.
- We discussed making suggestion boxes at our next meeting – one for each year group to avoid breaking bubbles and to encourage all children to share their voice.
- We have received the litter picks from Mr Leicester and we will organise a litter pick from the 8th March – this will include all children.
- Sophia and Nathaniel wrote a letter to David Attenborough asking for his advice on how we can reduce plastics in school. We are awaiting a reply.

**Next Meeting**

- Organise groups of litter pickers – 4 per group
- Create class suggestion boxes
- Next meeting 11th March 2021 at 14:30pm
-

Code of conduct –

- School reps to discuss questions/issues raised with their class and teacher.
- Z to take notes in yellow book.
- At least six people need to be present during a school council vote and we agree or disagree based upon a 'raise hand' vote.
- School councillors to share the outcome of the meeting with their class.
